

Free recognition for CPD
and PD providers.

Prove your CPD was peer reviewed.

A named reviewer checks your process, we publish the record, and
your certificates carry a mark anyone can click.

A\$0

to apply and be listed during the
founding period

8

plain standards, the same on
both sides of the Tasman

21

days from a complete
application to a decision

A signal you did not award yourself.

Someone else checked it

An independent reviewer qualified in your field reads your process and three of your activities.

A mark that links to proof

Learners, employers and auditors click it and see your record, your reviewer and the date it runs out.

Every activity, one fee

Verification covers your process, so it covers every activity you publish. No per-course fee.

Founding member, for good

The first 100 providers keep "Founding member" on their record permanently and hold the low register numbers.

Both countries

One Standard for Australia and New Zealand. Professionals on both sides read the same record.

Plain about AI

Use AI to draft if you like. A qualified human reviews it before publishing, and says so in public.

What it costs a provider with 20 one-hour activities

ROUTE	COST
Per-activity verification at a published A\$195 + GST each	A\$3,900 + GST
Per-activity accreditation at a published A\$495 + GST each	A\$9,900 + GST
CPD Council, founding period	A\$0
CPD Council, after 100 providers	A\$1,000 + GST a year

Per-activity rates from the Australian Institute of CPD Standards' published fee schedule, checked 05 Oct 2026.

Five steps. Usually three weeks.

- 1 Send five items**
Your authoring and review procedure, who your authors and reviewers are, three sample activities with review records, a sample certificate, your activity list.
- 2 Or book a 20-minute call**
Most providers do the work but have never written it down. We fill in the application with you.
- 3 Process review**
A reviewer qualified in your field reads your procedure against the eight standards.
- 4 Sample check and decision**
Three activities are traced through the Standard. Met or Not met, with what is missing if anything.
- 5 Published**
Your record goes live with the reviewer's name and the dates. You receive the mark and the live badge.

Free until the register reaches 100 providers. After that, A\$1,000 + GST a year, stated in writing when you join, with notice when the register reaches 75.
